COVID-19 Travel

If you are fully vaccinated, you can resume pre-pandemic activities including travel within the United States.

Revised Order Requiring Masks in Public Places

Effective Saturday, May 29, 2021, The Commonwealth's mask order was rescinded. However, the Department of Public Health has issued a public health advisory for all unvaccinated residents to continue to wear masks in indoor settings and when they can't socially distance. [Department of Public Health \(DPH\) Advisory Regarding Face Coverings and Cloth Masks](#)

Consistent with the Centers for Disease Control and Prevention's updated guidance, masks are still mandatory for all individuals:

- On public and private transportation systems (including rideshares, livery, taxi, ferries, MBTA, Commuter Rail and transportation stations),
- In healthcare facilities, and
- In other settings hosting vulnerable populations, such as congregate care settings
